

Our Place Exhibition

TeAwahouNieuweStroom
8 August – 29 September.

We wish to thank Horowhenua District Council for Event funding, and the staff and resources of Te Takeretanga o Kura-hau-po, for their assistance in providing design and editorial assistance towards providing the marketing and promotional material for our exhibition.

This will give our exhibition a great start. You will see the result of these efforts during next week with the distribution of posters and flyers, featuring art supplied by our members. This will include an illuminated display on the large electronic board at the corner of Oxford and Bath Streets.

Flyers will be made available for members to share amongst their friends.

Members and friends can further assist by liking and sharing our Facebook and Neighbourly posts.

The space we have for the Exhibition is large, well lit, and receives a constant stream of local and international visitors. Horowhenua District Council guidelines encourages artists to present workshops and demonstrations of their skills during the course of the exhibition, so we are hoping that members will take advantage of this opportunity create work at the venue or to just attend and host visitors during the event.

With the closing of registrations, we know we have approximately 80 hanging art works, as well as 3D and pottery works, with an estimated value of \$25,000. With this exhibition running for nearly two months it will be the largest body of work ever put up by the Horowhenua Art Society. Well done to all exhibitors.

Next Friday Workshop

2 August, 9:30-12 noon with Dorothy Burt. Monet Workshop, preferably using oils or acrylics. Bring an A3 canvas or 300gsm paper, plus bristle brushes, warm and cool coloured paints, moulding paste and painting medium. \$3 class and \$3 entry.

Member Activities

During August, Jill Hammond and Sue Taylor have an exhibition at TeTakere called **'Realism and Nostalgia'**. We wish them all the best.

Foodbank

Thanks to those who have contributed to the Foodbank. If you haven't, and would like to, please place your non-perishable goods into the box on the table in the Studio.

HAS Gallery

There will be some paintings removed from our gallery to be exhibited at the exhibition in Foxton, so if you have some spare new work to display, please bring it into the studio.

Competition Winners

Abstract

1st Jill Hammond
'After Global Warming'

2nd Marilyn Craig

Since there were several 3rd equal entries, we have only published the first two.
