Memnber Activities

Congratulations to **Noleen McKeen**, who has taken fourth prize for her entry in the NZ Watercolour competition held in Wellington recently.

She created 'A Shady Grove' by using NASA paper, wetting it, scrunching it up, straightening it, drying and ironing it. Her inspiration was to create a stylised effect using the challenge of the paper texture to link the forms together. Well done Noleen!

Rembrandt Remastered

This stunning exhibition is currently on at Te Awahou Nieuwe Stroom in Foxton. It is well worth a visit.
