'Our Place' Exhibition
Te Awahou Nieuwe Stroom,
Foxton, Aug/Sept.

Dear members

Your committee has worked hard over the past year to provide you with an opportunity to exhibit your work in a major exhibition at a first class venue. This upcoming Exhibition "Our Place" is an opportunity to not only sell work, but more importantly, to gauge opinion and feedback from your public audience of your work. Frequently artists in Levin are exhibiting at venues in other parts of the lower North Island. I urge you all to extend yourselves in this "Our" major exhibition of the year to put your best work forward and wholeheartedly support this event. Neil Perfect. President
